Factory Service and Wheel Rebuild Program

American Classic offers Dealers service provided by our highly qualified Technical Staff and Wheel Builders. Dealers receive excellent margins for work performed. Services include: Wheel Rebuilds, Hub Maintenance, Cassette Body and Bearing Change, Truing, Retensioning, and General Repairs. 90 Day Guarantee on All Work. Fast Turn Around Time.

Why Can't I Buy a Rim? We are often asked this question. Our rims are lightweight and can be difficult to build. All wheel rebuilds are done in-house because our experienced wheel builders maintain our quality standards. Sorry, we do not make exceptions to this rule.

How to Place Your Rebuild or Repair Order (For USA and Canada Only)

Call: (813) 885-9040 Monday - Friday 10:00am -6:00pm Eastern Time

We will determine spoke and rim graphic color spec of your wheel rebuild, give you the final pricing and assign your RA number. We need either a MasterCard or Visa number to reserve your order. The credit card will not be charged until your order ships.

Remove: Tires, Tubes, Cassette, Magnets, Rotors, etc. Before Shipping

Please do not send in wheels without an RA number.
